

# PMDC Staffs Attend Mining Workshop

Davao City, Philippines – The Philippine Mining Development Corporation (PMDC) officers, technical staff and employees, together with the Paraiso Consolidated Mining Corporation (PACOMINCO) and Prometheus Minerals Ltd, attended a one-day mining workshop on August 23, 2018 at Café Demitasse in Davao City. PACOMINCO is the partner-operator of PMDC for its proposed exploration activities in the Victory Tunnel located in the Diwalwal Mineral Reservation Area (DMRA).

A geological overview of the mining area was presented by Prometheus Geologist, Mr. Cecilio Bautista. He discussed the geology of Diwalwal using the historical data and the recently conducted surface exploration investigation by PMDC, PACOMINCO, and Prometheus.

Other topics discussed during the activity were: (1) review of applicable mining method; (2) presentation of mining schedule including exploration drilling; (3) current progress and future milestones of the project; (4) safety and risk assessment; (5) planned security and safety measures; and (6) environment and community development.

Attendees from PMDC were (1) Atty. Virgil Adan, (2) Geologist Alexander Madera, (3) Engr. Ryan Medina, (4) Cathrine Tzaris Pagatpatan, (5) Emiliano Cajes, Jr., (6) Engr. Marites Reotutar, (7) Mark Jim Balido, (8) Estrella Jesuro, (9) Thelma Cinco, (10) Trisha Acuesta, (11) Abigail Abenoja, (12) Camille Grace Simborio, (13) Engr. Kristin Louise Agbulos, (14) Engr. Ronald Dongel, (15) Engr. Kevin Augusto, (16) Engr. Neil Stephen Luy, (17) Engr. Kish Cristy Laspinas, and (18) Elmer Mar.
